

Applicant : Lars Tommy Westbye, et al.
Appl. No. : 10/626,218
Examiner : Catherine Witczak
Docket No. : 706737.4003

REMARKS

This election is with traverse inasmuch as the Examiner's Restriction Requirement appears to be improper since the different figures just represent several variations in design or operation.

With respect to the claims readable, all of the present Claims 1 through 48, read on that elected and these identified claims are all generic. Note that the elected drive system of Figure 2 can use either drive of Figure 3a or 3b. The claims do not have limitations to different specifics of the other Figures, except Claim 22 has a two spring drive of Figure 3b which applicant desires to use.

In view of the foregoing, favorable reconsideration of this application and a Notice of Allowance is earnestly solicited.

Should the Examiner have any questions or comments, the undersigned can be reached at (949) 567-6700.

The Commissioner is authorized to charge any fee which may be required in connection with this Amendment to deposit account No. 150665.

Respectfully submitted,
